

Local Motorists Urged to be Cautious through SWOSU Campus

08.18.2015

Southwestern Oklahoma State University fall semester classes and activities are beginning in Weatherford, and Public Safety Director Kendra Brown advises area residents to use caution while driving through the campus area.

“Each fall brings many new students to campus that are not yet familiar with the way traffic flows through the area, so this is just a reminder to local motorists to exercise caution while driving on and around campus,” Brown said.

SWOSU classes start on Monday, August 24.
